

160A Distribution Box Model and Specifications

Overview

The VIOX UKK-160A is a green, 1-in-6-out power distribution block for medium to large industrial applications. 160-200A/690V rating, with dual input options (6-16mm²/10-70mm²). Features nickel-plated brass, UL94V-0 PC housing, and a transparent cover. DIN rail mount, M5 screw fixing. Send your. Use left and right arrow keys to resize the column. Press Home for minimum width and End for maximum width. A distribution cabinet is a piece of equipment used. TE Connectivity's (TE) Entrelec DBL Power Distribution Blocks offer a compact and modular design with three configuration options. These power distribution. The JH8415 distribution junction box is the ideal choice for self-built stations, featuring high voltage capacity (500V), a rated current of 125A, and durable materials, including a nylon shell, polycarbonate transparent components, brass conductors, and robust 45# steel screws, ensuring reliable. Tyenaza Electric Distribution Box, UKK-160A DIN Rail Electrical Distribution Box, Block Distribution Box, DIN Rail Terminal Block Distribution Box Prices for items sold by Amazon include VAT. For other items, please see details.
