

Angle steel brackets for electrical cable trays

Overview

Angle steel supports are a more traditional and reliable choice for electrical cable tray support. Our focus has always been on solutions from the field of cable support systems. Establishing partnerships. They offer an alternative to open wiring or electrical conduit systems and are necessary for cable management in commercial and industrial construction, as well as preventing health and safety hazards such as entanglement and tripping.

 Whether securing conduit, supporting cable trays, or reinforcing structural elements. Cable Runway Wall Angle Support fastens ladder rack to a wall or other flat surface. 00 with a material of Steel color Black. KIT 6IN- CLEAR- Simple connection using 2 screws on each side (optional)- Material: metal- 90° angle for cable trays 60x100- for connecting 2 cable trays- CE certification- DIN 4102-12:1998, ISO 14001:2015, E90 (fire resistance), ISO 45001:2018-Galvanised-Installation: Insert cable trays into each other at the.
