

Distribution box with 54 circuits thickened

Overview

Hensel manufactures the 6100230 KV 3554 distribution board, designed for surface mounting with 54 partitions across three rows. The enclosure material is painted sheet steel thickness of 1. Its current rating is 125A. ABB Drives is a global technology leader serving industries, infrastructure and machine builders with world-class drives, drive systems and packages. We help our customers, partners and equipment manufacturers to improve energy efficiency, asset reliability, productivity, safety and performance. With a robust IP65 waterproof and dustproof rating, this surface-mounted box is ideal for both residential and industrial applications that demand. Versatile surface-mounted distributor for a wide range of applicationsThe DISBOX-MA series is available with a total of 8 sizes from 8 to 54 modules. Compliance with regulations IEC 60670-24, CEI 23-48, CEI 23-49, CEI 61439-3. IP40 and IK07 (6 joule) protection index. RAL 9003 white wall mounted box. It is made of high impact resistant material.
