

Fiber optic cable cutting attack

Overview

In Johnston County, someone stole nearly 100 feet of fiber optic cable from Rains Mill Road in the eastern part of the county, knocking hundreds of Spectrum customers, including Wayne County schools offline. And they've just about had it: Charter, which recently faced a string of fiber cuts in California and Missouri, went so far as to call the damage “ nothing short of domestic terrorism. A 12-year-old Ukrainian stopped a Russian FPV drone by destroying its fiber optic cable. He had previously been taught the technique by a Ukrainian soldier. There has been concern about the cables being targeted in a Red Sea campaign by Yemen's Houthi rebels, which the. Spectrum is offering a \$25,000 reward for information leading to the arrest of those responsible for the theft of fiber optic cables in Johnston County. Authorities link recent internet outages to.
