

Indian Bridge

Overview

This is a list of bridges in India. The largest of all Indian's railway bridges is the Chenab Bridge, located on the Jammu-Baramulla line that connects the Jammu region and the Kashmir Valley, which turned out to be the most expensive line of Indian's railway network. They have provided people access to the outside world, made life easier for people, and opened routes for. The Howrah Bridge is a 705 meters long balanced cantilever bridge over the Hooghly River. It connects Howrah and Kolkata, the two largest cities in the West Bengal state. The bridge was opened to traffic in 1943 and was renamed Rabindra Setu in 1965. The Howrah Bridge is one of the four major Travellers' Choice Awards winners (including the "Best of the Best" title) are among the top 10% of listings on Tripadvisor, according to the reviews and opinions of travellers across the globe. Things to do ranked using Tripadvisor data including reviews, ratings, number of page views, and user.
