

Mauritania s Vertical Shaft Smart Building Fiber Optic Connection

Overview

The project involves a new high-capacity fiber optic branch connecting Mauritania to Madrid, Spain, through the EllaLink cable system. A 500-Km subsea cable will connect from a new landing station to be built in Nouadhibou—Mauritania's second-largest city—into EllaLink's. DUBLIN and NOUAKCHOTT, Mauritania, July 29, 2025 (GLOBE NEWSWIRE) -- EllaLink, the owner of a high-capacity optic-fibre submarine cable directly connecting Europe and Latin America, and the Ministère de la Transformation Numérique et de la Modernisation de l'Administration (MTNMA) of the Islamic. Mauritania is set to establish a second international subsea fiber optic cable connection through an agreement signed between the country's Ministry of Digital Transformation and Public Sector Innovation and cable operator EllaLink.
