

Price of a distribution box

Overview

Septic distribution boxes are used in wastewater systems. They usually cost \$20 to \$150, depending on their size and how complex they are. These start at \$50 and can go over \$500 for stronger models. If you are standing in a half-finished warehouse or staring at a flickering panel in a residential complex, you've probably asked yourself: how much is a distribution box anyway?

It is the silent heart of any building, pumping electricity to every corner, yet we only think about it when the lights. How fast can power distribution cabinets & boxes be delivered for wholesale orders?
